📄 PROFILE

Experienced CLO Manager at Schneider Electric with a proven track record in overseeing logistics operations, compliance, and supply chain optimization. Known for being dependable, well-organized, and detail-oriented, I bring strong leadership and coordination skills to every project. A true people person and team player, I thrive in collaborative environments and am dedicated to fostering positive relationships across all levels of the organization. My goal is to drive efficiency and excellence while maintaining the highest standards of integrity and teamwork.
